OPEN CALL
VIRTUAL MOBILITY GRANT (VMG)

**APPLICATIONS FOR MISSIONS OCCURRING
BETWEEN THE PERIOD 1 NOVEMBER 2023 - 31 OCTOBER 2024**

CA20112
PLATFORM OF POLICY EVALUATION COMMUNITY FOR IMPROVED EU POLICIES AND BETTER ACKNOWLEDGEMENT (PROFEEDBACK)

ABOUT PROFEEDBACK

Policy evaluation is a key tool in understanding, developing and modernising EU policies, thus there is a growing demand for EU-wide and high quality evaluation services. The main challenge is that currently there is no bottom-up platform for European researchers and professionals working in policy evaluation. They have limited possibilities to discuss common problems, assess country specific practices and share their knowledge in a mutually beneficial and effective way.

The PROFEEDBACK Action aims to foster the networking of the policy evaluation community at EU-level, raise awareness on the importance of evaluation policy research and improve its impact on policy-making. The Action, following a bottom-up and open approach, gathers researchers and professionals from various scientific fields and sectors to present and evaluate theories, topics, tools and methods of policy evaluation. Results of the Europe-wide assessment of good practices provide direct and high-quality inputs for national and EU bodies responsible for policy evaluation.

The invitation is extended to those members who are selected to carry out a specific collaborative work that directly contributes to the Action deliverables.

FINANCIAL SUPPORT RULES

The financial support in the form of an VMG provides a contribution for the collaborative work of the PROFEEDBACK Action member.

A maximum of **1.500 EUR** can be allocated to each successful applicant.

For this call, the Management Committee of PROFEEDBACK Action has allocated a total budget of **6.000 EUR** for 4 VMGs. As the allocated budget is limited, the application process is organised on a "first come first served basis". Additional funding might be considered during this Grant Period upon MC decision.

The requested amount by the applicant should reflect the scope of the collaborative work to be carried out. The final grant amount is determined during the evaluation process by the Core Group of the PROFEEDBACK Action.

Please note that the awarded grant is paid only after the VMG has been completed and after the required reporting documents have been submitted and approved.
